Community Assistance Planning Report No. 345

MILWAUKEE COUNTY HAZARD MITIGATION PLAN UPDATE

Appendix L

POTENTIAL FUNDING PROGRAMS FOR PLAN RECOMMENDATIONS WITHIN MILWAUKEE COUNTY

**Table L.1
Potential Funding Programs to Implement Plan Recommendations**

Table Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
			Federal Programs		
1	U.S. Economic Development Administration (EDA)	Disaster Supplemental Funding	Municipalities impacted by a Presidentially declared disaster	To plan and implement community resilience projects against future disasters	Varies, based on the circumstances of proposed projects; In general, 80 percent Federal cost-share; 20 percent local match
2	EDA	Public Works (PW) and Economic Adjustment Assistance (EAA) Programs	States, municipalities, tribal governments, higher education institutions, economic development districts, and nonprofit organizations	<ol style="list-style-type: none"> The PW supports the construction, expansion, or upgrade of public infrastructure and facilities EAA supports the design and implementation of strategies to help communities that have experienced or are under the threat of serious damage to their underlying economic base 	<p>\$150,000 to \$1 million for EAA awards, with an average award of \$650,000; \$600,000 to \$3 million for PW awards, with an average award of \$1.4 million; Cost-share: 50 percent federal; 50 percent local</p>
3	U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA)	Hazard Mitigation Grant Program (HMGPP)	State agencies and participating National Flood Insurance Program (NFIP) communities; federally recognized tribes, tribal agencies, private nonprofits, and local government/communities	<ol style="list-style-type: none"> Floodproofing Relocation of structures Elevation of structures Property acquisition Conformity with approved state and local mitigation plan Plan preparation Safe room construction Construction or modification of dikes, levees, floodwalls, seawalls, groins, jetties, breakwaters, and stabilized sand dunes 	75 percent Federal cost-share assistance; 12.5 percent State match and 12.5 percent local match required ^a
4	FEMA	Flood Mitigation Assistance Grant Program	State agencies and participating NFIP communities; federally recognized tribes, tribal agencies, local governments/communities	<ol style="list-style-type: none"> Elevation, relocation, or demolition of insured structures Acquisition Dry floodproofing Minor structural projects Beach nourishment activities Projects must be consistent with the goals and objectives identified in the State, tribal, or local mitigation plans 	Funding is appropriated by Congress; ^b 75 percent Federal cost-share assistance; 25 percent local match required; two types of grants: Planning grant and project grant ^c

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
Federal Programs (continued)					
5	FEMA	Public Assistance Grant Program	State, tribal, territorial, and local governments; certain types of private nonprofit organizations	<ol style="list-style-type: none"> 1. Rebuilding infrastructure damaged during a flood 2. Building infrastructure for portions of a community that are to be relocated outside of floodplains 3. Limited assistance with structural elevation and relocation 	75 percent Federal cost-share assistance; the State determines the local match
6	FEMA	National Training and Education Division	State and local first responders; private sector and tribal entities	<ol style="list-style-type: none"> 1. Provides preparedness training and exercise support to first responders in the event of a manmade or natural catastrophic event 2. Provides educational services in 18 professional disciplines 	Provides over 150 training courses for first responders
7	FEMA	Building Resilient Infrastructure and Communities Program (BRIC)	<p>Applicants: States, Territories, and Tribal governments</p> <p>Sub-applicants: Local and Tribal governments and State and Tribal agencies</p>	<ol style="list-style-type: none"> 1. Capability- and capacity-building activities 2. Hazard mitigation projects 3. Management costs 	Funding is appropriated by Congress; ^b 75 percent Federal cost-share assistance provided (small, impoverished communities may be eligible for up to 90 percent federal cost-share); 25 percent State or local match is required
8	FEMA	Assistance to Firefighters Grant Program	City, County, Village, Tribal, and Township Fire Departments; non-affiliated emergency medical services (EMS) organizations, State Fire Training Academies (SFTA)	<ol style="list-style-type: none"> 1. Firefighter and EMT training 2. Firefighting and EMS equipment 3. Firefighter personal protective equipment 	Cost-share matching fund requirements dependent upon size of population served by Fire Department
9	FEMA	Staffing for Adequate Fire and Emergency Response Grants (SAFER)	City, County, Village, Tribal, and Township Fire Departments (volunteer, combination, and career fire departments)	<ol style="list-style-type: none"> 1. Hiring of new, additional firefighters to improve staffing levels 2. Recruitment and retention of volunteer firefighters involved with or trained in the operations of firefighting and emergency response 	Salary and associated benefits for new firefighters and volunteer firefighters; Recipients of SAFER Recruitment and Retention of Volunteer Firefighters Activity grants are not required to contribute matching funds; Firefighters Activity grant recipients are required to contribute non-federal funds subject to a Position Cost Limit and a Cost Share (see program guidance)

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
Federal Programs (continued)					
10	National Fish and Wildlife Foundation	National Coastal Resilience Fund	Non-profits, state and local governments and agencies, educational institutions and commercial organizations	Nature-based solutions and restoration projects along the coasts	Up to \$140 million in funding. Most awards range from \$100,000 to \$1 million Match is not required
11	National and Oceanic Atmospheric Administration (NOAA)	Coastal Habitat Grants Program	Institutions of higher education, nonprofit and for-profit organizations, State and local governments	1. Projects that help prepare coastal communities and ecosystems for extreme weather events 2. Helps communities recover	Federal funds awarded must be matched with non-federal funds at a 2:1 ratio
12	NOAA	Coastal Habitat and Resilience Grants for Tribes and Underserved Communities	State and county governments, special district governments, for and non-profit organizations, schools, tribal governments, and small businesses	Projects that will advance the coastal habitat restoration and climate resilience priorities of tribes and underserved communities	Award amounts range from \$75,000 to \$2 million for the entire award Match not required
13	NOAA	Transformational Habitat Restoration and Coastal Resilience Grants	State and county governments, special district governments, for and non-profit organizations, schools, tribal governments, and small businesses	1. Sustaining productive fisheries and strengthening ecosystem resilience 2. Fostering regionally important habitat restoration 3. Enhancing community resilience to climate hazards and providing other co-benefits 4. Providing benefit to underserved communities,	Match not required Award Ceiling: \$10,000,000 Award Floor: \$750,000
14	U.S. Army Corps of Engineers (USACE)	Snagging and Clearing for Flood Risk Management Program	State and local units of government	1. Removal of obstructions that restrict flood flows of navigable waters 2. Projects must be designed and constructed by the Corps	Federal share cannot exceed \$500,000 for a given project; cost-share program with local match of 35 percent for design and preparation; construction cost varies between 30 percent and 65 percent federal share
15	USACE	Emergency Streambank and Shore Protection Program	Local governments	Bank protection of highways, highway bridges, essential public works, churches, hospitals, schools, and other nonprofit public services from flood induced erosion	Federal share cannot exceed \$5 million for a given project; cost-share program with local match of 35 percent for design and construction required
16	USACE	Small Hurricane and Storm Damage Reduction Program	State agencies and local units of government	1. Beach nourishment 2. Floodproofing 3. Other structural and nonstructural storm damage reduction projects	Federal share cannot exceed \$5 million for a given project; cost-share program with local contribution of 35 percent for design and construction required

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
Federal Programs (continued)					
17	USACE	Water Resources Development and Flood Control Acts	Local governments	<ol style="list-style-type: none"> 1. Water resources planning assistance 2. Emergency streambank and shoreline protection 	50 percent for studies and 65 percent for project implementation of Federal cost-share assistance; 35 to 50 percent local match is required
18	USACE	Flood Risk Management Program	Local governments and special authorities	Assistance for planning, design, and construction of structural and non-structural flood control projects. Projects are not limited to any particular type of improvement.	Feasibility study is 100 percent federally funded up to \$100,000; 50 percent local match required for any costs exceeding \$100,000; 65 percent federal cost share for project implementation with 35 percent local match required
19	USACE	Floodplain Management Services Program	State, regional, and local governments; federally recognized Native American Tribes; other non-federal public agencies	<ol style="list-style-type: none"> 1. Floodplain delineation 2. Flood hazard evaluation 3. Dam break analysis 4. Stormwater management 5. Flood risk reduction 	100 percent federal cost-share assistance provided; entities may provide voluntary contributions
20	USACE	Flood Damage Reduction Program	State and local units of government	<ol style="list-style-type: none"> 1. Projects designed to reduce the impact of flood events 2. Projects must be designed and constructed by the Corps 	50 to 65 percent Federal cost-share assistance above \$100,000 and cannot exceed \$10 million; 35 to 50 percent local match is required
21	U.S. Department of Agriculture-Farm Services Agency (USDA-FSA)	Conservation Reserve Program	Individual landowners in a 10- or 15-year contract. Farmer must have owned or operated the land for at least 12 months prior to the previous program sign-up period.	<ol style="list-style-type: none"> 1. Riparian buffers 2. Trees 3. Windbreaks 4. Grassed waterways 5. Permanent grasses 6. Wetland development and restoration 	50 percent Federal cost-share assistance; 50 percent local match from individual; an annual rental payment for the length of the contract is also provided
22	USDA-FSA	Emergency Conservation Program	Individual landowners	<ol style="list-style-type: none"> 1. Grading and shaping farmland 2. Restoring conservation structures 3. Redistribution of eroded soil 4. Debris removal 5. Projects must be in response to a natural disaster 	Up to 75 percent Federal cost-share assistance, the remaining is determined by the committee reviewing the application
23	USDA-FSA	Emergency Forest Restoration Program	Individual non-industrial private forest landowners	Restore privately owned forests damaged by natural disasters	Funding and technical assistance provided under a 10-15 year contract

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
Federal Programs (continued)					
24	USDA-FSA	Noninsured Disaster Assistance Program (NAP)	Landowners or tenants that experienced direct damaging weather or adverse natural occurrence to crops during the eligible crop coverage period before or during harvest	Protecting non-insurable crops against natural disasters, including drought, freeze, hail, excessive moisture, or excessive wind, flood, and excessive heat, or insect infestation.	NAP provides basic coverage equivalent to the catastrophic level risk protection plan of insurance coverage, which is based on the amount of loss that exceeds 50 percent of expected production at 55 percent of the average market price for the crop
25	USDA-FSA	Farmable Wetland Program	Individual agricultural landowners in 10- or 15- year contracts	Restore currently farmed wetland	One-time \$100 per acre Federal signing incentive; up to 50 percent Federal cost share assistance for installation of practices plus one-time incentive payment of 40 percent of practice installation cost; annual rental payments based on the weighted average dryland cash rate
26	U.S. Department of Agriculture-Forest Service	Community Forest and Open Space Conservation Program	Tribal entities, local governments, and qualified conservation nonprofit organizations	Projects aimed to acquire and establish forests that will provide community and economic benefits through active forest management, clean water, wildlife habitat, educational opportunities, and public access for recreation	Program pays up to 50 percent of project costs and requires a 50 percent non-federal match
27	U.S. Department of Agriculture-Natural Resources Conservation Service (USDA-NRCS)	Agricultural Conservation Easement Program-Wetlands Reserve Easements	Local government and individual landowners	1. Purchase agricultural land easements that protect the conservation values of eligible land 2. Wetland protection, restoration, and enhancement	Permanent easement: NRCS pays 100 percent of easement value and 75 to 100 percent of restoration cost 30-year easement: NRCS pays 50 to 75 percent of easement value and 50 to 75 percent of restoration cost
28	USDA-NRCS	Conservation Stewardship Program	Individual landowners in a five-year contract	1. Filter strips 2. Riparian Buffers 3. Wildlife corridors 4. Stream habitat improvement	Payments for maintaining and/or enhancing natural resources not to exceed \$40,000 per year or \$200,000 over a five-year period
29	USDA-NRCS	Watershed Protection and Flood Prevention Program	State and local units of government; tribal governments	1. Watershed protection 2. Flood prevention measures 3. Benefits that are directly related to agriculture must be at least 20 percent of the total project benefits 4. Watersheds can be no larger than 250,000 acres	Cost-share rates vary depending on the type of measure and the purpose to which the cost is allocated; total average annual monetary benefits equal \$2.2 billion

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
Federal Programs (continued)					
30	USDA-NRCS	Emergency Watershed Protection Program – <i>Floodplain Easement Option</i>	Individual landowners provided they have a local sponsor such as a local unit of government	<ol style="list-style-type: none"> 1. Sale of agricultural flood prone lands to NRCS for floodplain easements 2. Land must have a history of repeated flooding (at least twice in the past 10 years) 3. Landowner retains most of the rights as before the sale 4. NRCS has authority to restore the floodplain function and value 	The USDA pays the landowner the lowest of three options: a geographic rate, the fair market value of the land, or an offer made by the landowner; 75 percent Federal cost-share assistance; 25 percent local match is required ^d
31	USDA-NRCS	Emergency Watershed Protection Program - <i>Recovery Assistance</i>	Individual landowners provided they have a local sponsor such as a local unit of government	<ol style="list-style-type: none"> 1. Debris removal 2. Reshaping and protection of eroded streambanks 3. Repair levees and structures 4. Repair damaged drainage facilities 	Up to 75 percent Federal cost-share assistance; 25 percent local match is required
32	USDA-NRCS	Environmental Quality Incentives Program (EQIP)	Agricultural producers, owners of non-industrial private forestland, Indian tribes, and those with an interest in agricultural or forestry operations	<ol style="list-style-type: none"> 1. Animal waste management practices 2. Soil erosion and sediment control practices 3. Nutrient management 4. Groundwater protection 5. Habitat improvement 	Up to 75 percent Federal cost-share assistance; 25 percent local match is required
33	U.S. Department of the Interior-National Park Service	Rivers, Trails, and Conservation Assistance Program	Municipalities	Supports community-led natural resource conservation and outdoor recreation projects, including natural-based flood control measures, such as riverbank restoration	Free of service, no cost and no cost-share requirements
34	U.S. Fish and Wildlife Service (USFWS)	North American Wetlands Conservation Grants Program	Private or public organizations	<ol style="list-style-type: none"> 1. Land acquisition 2. Restoration, management, and enhancement of wetland ecosystems and other habitat for migratory birds and other fish and wildlife 	Applicants must match their grant request at no less than a 1-to-1 ratio; requests for small grants may not exceed \$100,000
35	USFWS	Partners for Fish and Wildlife Habitat Restoration Program	Private landowners for a 10-year minimum contract	Restoration of degraded wetlands, native grasslands, stream and riparian corridors, and other habitat areas	Full cost-share and technical assistance; individual projects cannot exceed \$25,000
36	USFWS-National Fish and Wildlife Foundation (NFWF)	Five-star and Urban Waters Restoration Grant Program	Nonprofit organizations, local governments, municipal educational institutions	<ol style="list-style-type: none"> 1. Wetland restoration projects 2. Riparian restoration projects 3. Coastal and forest restoration projects 4. Projects must be part of a larger watershed project 5. Projects must have at least five contributing parties 	\$2 million available nationally annually; project awards range from \$20,000 to \$50,000, average award \$30,000; 1:1 non-federal match ratio required; higher local match preferred

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
			Federal Programs (continued)		
37	U.S. Small Business Administration	Disaster Loan Program	Homeowners, renters, and businesses	<ol style="list-style-type: none"> Property repair Property replacement Meeting building code requirements Involuntary relocations out of a special flood hazard area 	Low interest loans
38	U.S. Environmental Protection Agency (EPA)	Environmental Education Local Grants	Local or State education agencies, colleges, and nonprofit organizations; State environmental agencies, tribal education agencies, and noncommercial educational broadcasting agencies	<ol style="list-style-type: none"> Improving environmental education teaching skills Educating teachers, students, or the public about human health problems Building capacity for environmental education programs Education communities Educating the public through print, broadcast, or other media 	\$3 million available nationally, ^b grants range from \$50,000 to \$100,000; up to 75 percent federal cost share assistance, 25 percent local match is required
39	EPA	Drinking Water State Revolving Fund (DWSRF)	States and municipalities	Construction of drinking water infrastructure projects, including modifications to ensure system capacity during flooding, and planning for flooding events	Individual states allocate funds to prioritized projects. Most assistance is for loans that have to be repaid 100 percent to the DWSRF
40	EPA	Environmental Justice Small Grants Program	Incorporated nonprofit organizations including, but not limited to, environmental justice networks, faith-based organizations, and tribal organizations	Community-driven projects that engage, educate, and empower communities to better understand local environmental and public health issues and develop strategies for addressing those issues	Up to \$75,000 depending on availability of funds
41	U.S. Department of Health and Human Services, Health Resources and Services Administration	Emergency Medical Services for Children	State governments, public and private nonprofit institutions, U.S. territories, and schools of medicine	<ol style="list-style-type: none"> Aids with improvement and expansion of trauma and critical emergency medical services for children Preferred programs aid populations with special needs (Native Americans, minorities, and the disabled) 	No statutory matching requirements. Grants generally range from \$130,000 to \$3 million. Amounts awarded vary based on the scope of the project
42	U.S. Department of Transportation (USDOT)	Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Transportation Grants	State, local, and tribal governments, port authorities, and educational institutions	Construction, design, and/or planning projects that will have a significant impact on roads, bridges, transit, rail, ports, or intermodal transportation systems	Greater than \$10 million available; a match is required Match not required

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
State Programs					
43	Fund for Lake Michigan	Fund for Lake Michigan	Non-profit organizations, state, county and municipal governments and agencies, tribes, universities and other educational institutions	<ol style="list-style-type: none"> 1. Stormwater 2. Green Infrastructure 3. Beach, coastal, and streambank restoration 4. Education/outreach 5. Watershed planning/monitoring 	<p>Award between \$750,000 and \$1,000,000 in grants each quarter</p> <p>Match not required</p>
44	Wisconsin Department of Administration (DOA)	Community Development Block Grant Program- <i>Emergency Assistance Program</i>	Local governments that have low to moderate income populations	<ol style="list-style-type: none"> 1. Repair of disaster related damage to dwellings 2. Assistance to purchase replacement dwellings 3. Repair and restore public facilities and infrastructure 	<p>For public facilities/infrastructure, funds are awarded as a grant, requiring a 25 percent local match for the total project expense</p> <p>For housing, funds are awarded as a grant</p> <p>For business assistance, funds may be awarded as a loan or a grant</p> <p>No matching requirements</p> <p>Amounts awarded vary based on assessed community needs</p> <p>Maximum award amount per project: \$4.25 million</p>
45	DOA	Community Development Block Grant Program- <i>Public Facility Program</i>	Local governments that have low to moderate income populations	<ol style="list-style-type: none"> 1. Improvements and repairs to public infrastructure 2. Construction, expansion, or improvement to community facilities 	<p>For business assistance, funds may be awarded as a loan or a grant</p> <p>No matching requirements</p> <p>Amounts awarded vary based on assessed community needs</p> <p>Maximum award amount per project: \$4.25 million</p>
46	DOA	Community Development Block Grant Program- <i>Flexible Facilities Program</i>	Local governments	Construction, repair, or expansion of community facilities with the purchase and/or installation of digital technology infrastructure for remote high speed internet access	<p>Up to 50 percent of total project cost</p>
47	DOA	Non-State Grant Program	<p>Non-state organizations that can show:</p> <ul style="list-style-type: none"> • Proof of not-for-profit status • Proof of grantee match of at least 50 percent of the total project cost • Proof of plans and specifications by an architecture/engineering firm of record 	Funding to non-state organizations for construction projects that benefit the public	Up to 50 percent of total project cost
48	DOA	Wisconsin Coastal Management Program Grants	State, local, and tribal governmental agencies, schools, and non-profit organizations	<ol style="list-style-type: none"> 1. Coastal wetland protection and habitat restoration 2. Nonpoint source pollution control 3. Coastal resource and community planning 4. Great Lakes education 5. Public access and historic preservation projects 	<p>Approximately \$1.6 million of WCMP Grants will be available</p> <p>Nonfederal match required:</p> <ul style="list-style-type: none"> • 50 percent of total project for projects < \$60,000 • 60 percent of total project for projects > \$60,000

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
49	Wisconsin Department of Natural Resources (WDNR)	Municipal Flood Control Grants	State Programs (continued) Cities, villages, towns, metropolitan sewerage districts	<ol style="list-style-type: none"> 1. Acquisition and removal of structures 2. Flood proofing and elevation of structures 3. Riparian restoration projects 4. Acquisition of vacant land or purchase of easements 5. Construction of stormwater and groundwater facilities related to flood control and riparian restoration projects 6. Flood mapping 	50 percent State cost-share assistance; 50 percent local match
50	WDNR	Knowles-Nelson Stewardship Grant Program	Local government and nonprofit conservation organizations	<ol style="list-style-type: none"> 1. Streambank protection projects 2. Land acquisition of stream corridors for water quality improvement 	50 percent State cost-share assistance; 50 percent local match is required
51	WDNR	Dam Removal Grant Program	Counties, cities, villages, towns, lake districts, and private dam owners	<ol style="list-style-type: none"> 1. Dam removal planning 2. Dam removal 3. Restoration of impoundment 	State covers 100 percent of project costs up to \$50,000
52	WDNR	Municipal Dam Grant Program	Counties, cities, villages, tribes, inland lake protection and rehabilitation districts	<ol style="list-style-type: none"> 4. Dam repair, reconstruction, or modification to improve safety 5. Dam abandonment and removal 	For repair, reconstruction, or modification projects grant awards cover 50 percent of the first \$1 million and 25 percent of the next \$2 million of eligible project costs For abandonment and removal projects, grant awards will cover 100 percent of the first \$1 million of eligible project costs
53	WDNR	Land and Water Conservation Fund Program	State agencies and local units of government	<ol style="list-style-type: none"> 1. Planning for acquisition of parks 2. Land acquisition for parks and open space 3. Supporting facilities that enhance recreational opportunities 	50 percent cost-share assistance provided
54	WDNR	Urban Nonpoint Source and Stormwater Grants Program	Local units of government, tribal governments, regional planning commissions, and special purpose lake, sewerage, and sanitary districts	<ol style="list-style-type: none"> 1. Planning 2. Educational and information activities 3. Ordinance development and enforcement 4. Land acquisition and easement purchase 5. Storm water detention ponds 6. Streambank and shoreline stabilization 	70 percent State cost-share assistance for projects not involving construction, requiring a 30 percent local match; 50 percent State cost-share assistance for projects involving construction, requiring a 50 percent local match
55	WDNR	Surface Water Grant Program	Counties, cities, local units of government, lake associations, natural resource agencies, and town sanitary districts	<ol style="list-style-type: none"> 1. Habitat protection 2. Reduce runoff 3. Best management projects 4. Comprehensive planning 5. Education and outreach 	Cost-share. DNR provides 67 percent cost-share for planning grants and 75 percent for management grants

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
56	WDNR	Urban Forestry Grant and Urban Forestry Catastrophic Grants	Cities, villages, towns, counties, tribes and 501(c)(3) nonprofit organizations	<p>State Programs (continued)</p> <ol style="list-style-type: none"> Depends based on whether Regular Grant, Startup Grant, or Catastrophic Storm Grant. Community tree management, maintenance or education within Wisconsin cities, villages or other areas of concentrated development 	Competitive cost-share grants of up to \$25,000
57	WDNR	Wisconsin Forest Landowner Grant Program	Individual landowners with a Forest Stewardship Plan prepared by a forester	<ol style="list-style-type: none"> Stream buffer establishment Streambank stabilization Wetland restoration 	Up to 50 percent cost-share assistance; 50 percent local match is required
58	Wisconsin Department of Transportation (WisDOT)	Disaster Damage Aids (DDA)	Local governments. Road must be closed or rendered impassable due to the disaster damage or damaged caused by government emergency response units.	Road repair and maintenance to any highway that is not on the State Trunk Highway System	<p>For claims with final costs, applicant receives 75 percent of replacement costs plus 50 percent of improvement costs</p> <p>For claims ≤ \$15,000, applicant may accept payment equal to 75 percent of WisDOT's estimate for all repairs (replacement and improvement), which may include final costs if available.</p> <p>For claims submitted for damage by any governmental unit in response to the disaster, applicant receives 70 percent of replacement.</p> <p>If Federal-aid is granted for damage reimbursement, it shall be in lieu of aid otherwise available under DDA</p>
59	WisDOT	Emergency Relief Program	Roadway or roadway structure damage on Federal-Aid highways (Major collectors and above) resulting from a natural disaster. Governor's State of Emergency Declaration required.	<ol style="list-style-type: none"> Repair physical damage Debris removal Traffic control and detour signing 	Emergency repairs are 100 percent covered if done within 180 days of the event, otherwise paid on a prorated basis. Match for permanent restoration projects are 90/10 (Interstate) or 80/20 (non-Interstate).

Table continued on next page.

Table L.1 (Continued)

Table 6.1 Reference Number	Administrator of Grant Program	Name of Funding Program	Eligibility	Types of Projects and Funding Eligibility Criteria	Assistance Provided
State Programs (continued)					
60	WisDOT	Local Bridge Improvement Assistance	Counties, cities, villages, and towns are eligible for rehabilitation funding on bridges with sufficiency ratings of 80 or less, and replacement funding on bridges with sufficiency ratings less than 50. Local governments	Rehabilitate and replace very deficient existing local bridges on Wisconsin's local highway systems	Awards made in 6 year cycles and next set of bridge applications will be due in 2029.
61	WisDOT	Local Roads Improvement Program	Local governments	<ol style="list-style-type: none"> Road construction Road maintenance Snow plowing Shoulder grading Pavement marking Curb and gutter repairs 	Pays up to 50 percent of total eligible costs, with local governments providing the balance
62	Wisconsin Emergency Management (WEM)	Pre-Disaster Flood Resilience Grant Program	Municipalities, Counties, Regional Planning Commissions, Tribal communities, and Nonprofits and private organizations	<ol style="list-style-type: none"> Identify flood vulnerabilities Identify options to improve flood resiliency Restore hydrology in order to reduce flood risk and damages in flood-prone communities 	75 percent state funds 25 percent non-state funds; may be federal, local, private, or nonprofit; may include in-kind
63	Wisconsin Public Service Commission (WPSC)	Telecommunications, Water, Energy Divisions	Local governments	Incorporate disaster resilience into regulation development, land use practices and environmental impacts of public utilities	General Utility Assistance

Note: Cost-share and local match requirements reported in this table can vary depending on specific details for individual projects.

^a The non-Federal share is 25 percent. In Wisconsin, the State Division of Emergency Management pays 12.5 percent, and the local community pays 12.5 percent.

^b Funding available on an annual basis.

^c Municipalities must have a flood mitigation plan to be eligible for a project grant.

^d In-kind services are allowed as a part of the local cost-share assistance.
