●●●●● What is a TIP?

- A listing of transportation projects proposed to be carried out by State and local governments over the next four years (2025-2028) in the seven counties of southeastern Wisconsin.
- The TIP must:
 - Include all Federally funded projects within the Region
 - Be fiscally constrained
 - Projects must be included in the Regional Transportation Plan (VISION 2050) www.vision2050sewis.org
- Reviewed and approved by the Commission's TIP Advisory Committees for the Kenosha, Milwaukee, Racine, Round Lake Beach, and West Bend Urban areas.

Types of Projects Listed in the TIP

Highway Preservation

Projects that preserve the existing highway system.

Highway Improvement

Projects that preserve the highway system and add capacity to address congestion.

Transit Preservation

Projects that preserve the extent and level of service of the existing transit system.

Transit Improvement

Projects that improve the existing transit system and add new transit services.

Bike & Pedestrian

Bicycle and pedestrian facility projects.

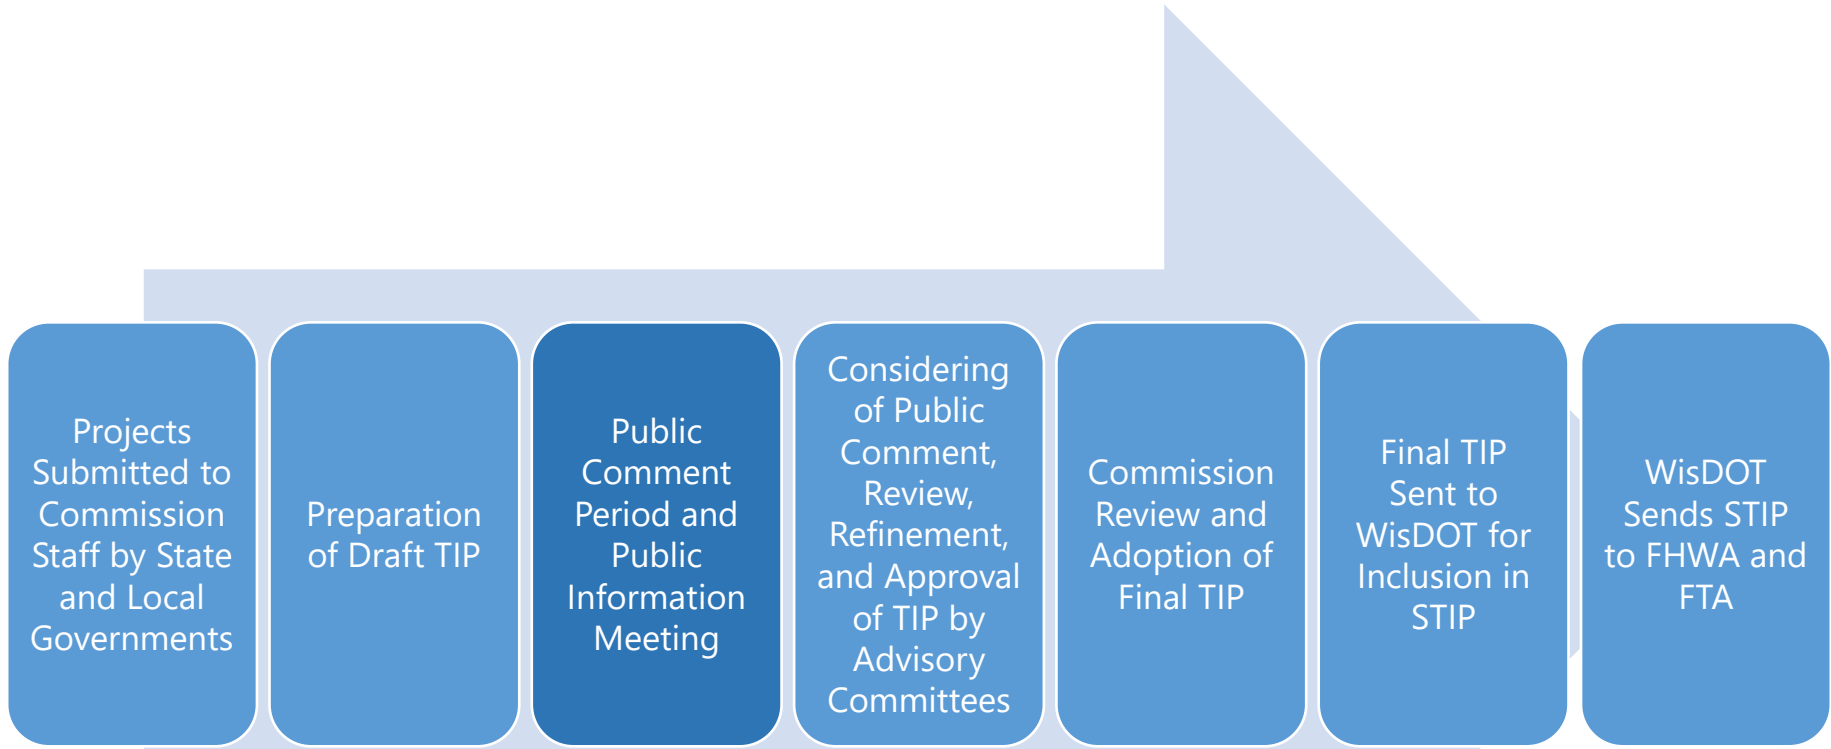

Other

Other projects, including highway safety and environmental enhancement.
