

RESOLUTION NO. 2025-01

**RESOLUTION OF THE SOUTHEASTERN WISCONSIN
REGIONAL PLANNING COMMISSION AMENDING THE TRANSPORTATION
IMPROVEMENT PROGRAM FOR SOUTHEASTERN WISCONSIN: 2025-2028**

WHEREAS, the Southeastern Wisconsin Regional Planning Commission, by Resolution No. 2024-18 on the 4th day of December 2024, endorsed the *Transportation Improvement Program for Southeastern Wisconsin: 2025-2028*; and

WHEREAS, the Commission has been requested by the Wisconsin Department of Transportation and local units of government, with review and endorsement by the Advisory Committees on Transportation System Planning and Programming for the Kenosha, Milwaukee, Racine, and West Bend Urban Areas, to amend the transportation improvement program by adding or revising projects as identified in the Memorandum and Tables 1 and 2 attached hereto and made a part hereof; and

WHEREAS, the projects included in the amendment set forth in Table 1 are to be in conformance with the regional transportation plan prepared and adopted by the Commission; and

WHEREAS, the Fiscally Constrained Transportation System (FCTS) and the amended transportation improvement program (TIP) are to conform with the 2006 24-hour fine particulate standard and the existing State of Wisconsin Air Quality Redesignation and Maintenance Plan for the year 2006 24-hour fine particulate standard, the 2008 eight-hour ozone standard and the existing State of Wisconsin Attainment Plan for the 2008 eight-hour ozone standard, and the 2015 eight-hour ozone standard and the budget tests described in 40 CFR 93.109 and 40 CFR 93.118 as required by the Federal Clean Air Act Amendments of 1990;

THEREFORE, BE IT RESOLVED that the *Transportation Improvement Program for Southeastern Wisconsin: 2025-2028* endorsed by the Commission is in effect;

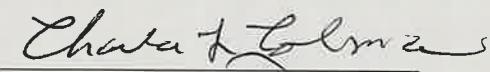

RESOLVED, that the Commission is addressing the request of the Wisconsin Department of Transportation and local units of government to amend the transportation improvement program and that the projects and budget amounts endorsed by the Advisory Committees on Transportation System Planning and Programming for the Kenosha, Milwaukee, Racine, and West Bend Urban Areas identified in Table 1 attached hereto hereby are endorsed as amendments to the *Transportation Improvement Program for Southeastern Wisconsin: 2025-2028*.

RESOLVED, that the projects included in the amendment set forth in Table 1 are in conformance with the regional transportation plan prepared and adopted by the Commission;

RESOLVED, that the FCTS and amended TIP have been determined to conform with particulate and ozone standards as determined by the State of Wisconsin Air Quality Attainment and Maintenance Plans and the Federal Clean Air Act Amendments of 1990;

RESOLVED, that a true, correct, and exact copy of this resolution and its attachments shall be forthwith transmitted through the Secretary of the Wisconsin Department of Transportation to the Governor, the Federal Transit Administration, and the Federal Highway Administration.

The foregoing resolution, upon motion duly made and seconded, was regularly adopted at a meeting of the Executive Committee of the Southeastern Wisconsin Regional Planning Commission held on the 16th day of January 2025, with the vote being 7 ayes; 0 nays.

MEMORANDUM

TO: Members of the Southeastern Wisconsin Regional Planning Commission Executive Committee

FROM: Southeastern Wisconsin Regional Planning Commission Staff

DATE: January 7, 2025

SUBJECT: 2025-2028 TIP AMENDMENT (2025-01)

Transportation Improvement Program Amendment 2025-01 consists of 55 projects that are being requested by the Wisconsin Department of Transportation and local units of government for consideration for approval by the Commission, as shown in Table 1 of Resolution 2025-01. Table 1 provides summary information associated with each project with more details on the proposed changes in this amendment available under Plan Revisions on the Commission's [e-TIP website](#).

The proposed amendment includes changes to 28 existing projects and the addition of 27 new projects to the TIP. A majority of the new projects consist of local safety and transit projects approved for Federal Highway Administration Highway Safety Improvement (HSIP) and Federal Transit Administration Section 5310 (Enhanced Mobility of Seniors & Individuals with Disabilities) funding. As shown in Table 2, the net impact of this amendment on the TIP is an increase in total programmed expenditures by \$117.1 million and programmed Federal expenditures by \$91.9 million. The addition of the 27 new projects to the TIP would increase total programmed expenditures by \$20.9 million and programmed Federal expenditures by \$16.8 million.

Overall this amendment supports the preservation and maintenance of existing arterial highway and bridge infrastructure, improves and increases transit services for seniors and people with disabilities, expands the off-street bicycle and pedestrian network, and increases safety at intersections through intersection improvements and the construction of roundabouts. The TIP is expected to remain fiscally constrained, as the increases to the total and Federal programmed expenditures within the TIP from these projects are less than estimated available funding.
